

KATILIM EMEKLİLİK VE HAYAT A.Ş. SHARI'A COMPLIANCE CERTIFICATE FOR PARTICIPATORY INSURANCE AND PERSONAL PENSION FUND TRADING PLATFORM (PFTP)

Regarding the matters detailed under the heading “inclusion of PFTP participation funds in participation pension plans” within the circular numbered 2021/9 published by the Insurance and Private Pension Regulation and Supervision Authority (IPRSA) that regulates the Pension Fund Trading Platform (PFTP) transactions;

Katılım Emeklilik ve Hayat A.Ş. has deemed it appropriate that, in the funds it will offer to the participants on the PFTP platform, if the constituent companies, for each relevant participation fund, have created compliance ratification through their internally available or externally outsourced services and through the Advisory Committee approved by IPRSA, these approvals will be accepted without re-evaluation each time by the Advisory Committee of Katılım Emeklilik ve Hayat A.Ş.

Definitely, only Allah knows the best.
