

KATILIM EMEKLİLİK VE HAYAT A.Ş. REPORT ON COMPLIANCE WITH PARTICIPATION PRINCIPLES

We hereby declare that all production activities of Katılım Emeklilik ve Hayat A.Ş. in the personal pension, life, personal accident, and health insurance segments that were included on the agenda and reviewed in 2025 were carried out in full compliance with the principles and standards of Participation Finance. We further confirm that the contributions obtained from such production were invested in investment instruments that have been duly approved as compliant with participation principles. In this context, we have carefully examined and evaluated the reports prepared by the relevant units as a result of the controls conducted in relation to these transactions.

We further declare that all other activities of Katılım Emeklilik ve Hayat A.Ş., apart from those mentioned above, which were likewise included on the agenda and duly examined, were also carried out in compliance with participation principles. In this respect, we have reviewed and assessed the reports prepared by the relevant units as a result of the controls and evaluations conducted accordingly.
